NINETEEN

Heaton Gets An Honor From Center

SHARON—Nancy Heaton, executive director of the Foundation for Community Health, was recently recognized as a major contributor to the creation and success of the Community Health & Wellness Center of Greater Torrington.

As a member of the center's founding team and one of the original board members, Ms. Heaton served as treasurer and as a consultant between 1998 and 2001. She was responsible for many of the center's startup tasks such as tax exempt status, their mission statement and employee handbook and for establishing its HIV Clinic.

She was honored by the center's board of directors at an awards ceremony on Dec. 9 at its site on Migeon Avenue in Torrington. The Community Health & Wellness Center of Greater Torrington provides healthcare for anyone in northwestern Connecticut regardless of their ability to pay.
