Responses are completely confidential and only viewed by the program evaluators. A summary of the results will be shared with HPRSIP staff for the purpose of improving the program. **Thank you for your candid responses!**

Name (optional) \_\_\_\_\_

College/University (optional) \_\_\_\_\_

Have you previously visited northwestern Litchfield County (CT) or northeastern Dutchess County (NY)?

yes

no

just passed through

What has been your primary location of residency?

urban

suburban

rural

combination

How would you rate your knowledge of the following?

*(Please check off your answer)*

	POOR	FAIR	GOOD	VERY GOOD	OUTSTANDING
The health care system in rural CT/NY					
The health care barriers faced by residents in rural CT/NY					
The social service system in rural CT/NY					
The pre-hospital emergency service system in rural CT/NY					
Recreational activities available in rural CT/NY					
Housing and educational opportunities in rural CT/NY					

How likely is it that you will work in a rural area after completing your education?

- Not at all       Slightly       Moderately       Very       Extremely

How likely is it that you will work in rural CT/NY after completing your training?

- Not at all       Slightly       Moderately       Very       Extremely

How likely is it that you will work in a medically-underserved region in the future?

- Not at all       Slightly       Moderately       Very       Extremely

At this time, where do you see yourself practicing after you have completed all your training?

---

---

---

---

---

---

---

Please explain your main reason for wanting to practice in that location.

---

---
